

WISDOM

My dear people of God,

Here is part 2 of wisdom on high. I pray you enjoyed the nuggets from part one I sent you last week. God is wisdom. God is understanding. God is knowledge. God is sense. God is insight. God is perception. God is astuteness. God is intelligence. God is acumen. God is prudence. God is good judgment. God is discernment. God is sound advise and much more. All this wisdom is given to us in a package for one through His son Jesus Christ.

If you pursue Jesus Christ, deepen your delight and thirst of the scriptures about Him and love Him-Wisdom is your gift of Grace wrapped around your soul and life.

WISDOM OUR HIDING PLACE: Proverbs 3: 21-26

- Never drift off course from walking with wisdom to discover your purpose.
- Wisdom empowers you/ strengthens you inside& out / inspires you to do what is right / you are energized / refreshed by healing / you will never stumble / sleep like a baby / your rest will be sweet & secure / you will not face terror / God will be your confidence in times of crisis / keep your heart at rest

WISDOM IN RELATIONSHIPS: Proverbs 3: 27-35 If you have God (wisdom)

- True enrichment in relationships will be yours.
- Peace & Contentment. Many years of contented relationships.
- All your desires & longings will be fulfilled.
- When catastrophe comes you will have a secure anchor.
- A feast of gladness in your dealings with family, Church, and community.
- You will have safety and rest and be a person to offer this to all who are part of your life-Relationships.
- Operate in honesty, integrity and transparency-that others may see Jesus Christ in you,
- The words from your heart and lips will bring healing, joy and peace to all around.
- Let the facets of wisdom help you in humbleness/meekness when dealing with people.

- Another facet of Wisdom is to be forgiving ,giving and how you treat the poor.

Love & Blessings

Ps Hilda
