

## ADAM VS JESUS CHRIST

ROMANS 5: 12-21

My dear People of God,

While meditating on Romans 5: 12-21 a few days ago I discovered an interesting contrast between Adam -the first man created and our Lord Jesus Christ -Our Lord, Redeemer and son of God who came to give us life and life in full.

### **ADAM: JESUS**

- 1) Adam – The first man to become a living soul. Sinned and the entire world was affected. Casting its shadow over all humanity. A portrait of the Messiah to come. **Jesus Christ- The MESSIAH. The creator /Saviour of souls.**
- 2) Adam -Transgression began. **Jesus Christ -Gracious gift of Forgiveness, Salvation & Eternity.**
- 3) Adam - Many died / Death held humanity in its grip. **Jesus Christ- Grip of Grace and Freedom. Victorious life.**
- 4) Adam - Faced death sentence of guilt. **Jesus Christ – The son of God who was without sin or guilt, who died and took our place for these remissions.**
- 5) Adam 's life is an arrow to Condemnation. **Jesus Christ – By His Holy Spirit convicts us to repent and become right with God.**
- 6) Opened the door for all humanity to become sinners. **Jesus Christ- The door for many to be made perfectly right with God / acceptable to Him.**
- 7) Adam – The Law was introduced to bring reality of human sinfulness out of hiding. **Jesus Christ - Affirmed the law and added a dimension of LOVE.**
- 8) A representative of created humanity. **Jesus Christ – A representative of Spiritual humanity.**
- 9) We were born into Adams physical family. Jesus Christ – **We are born again in His Spiritual family.**
- 10) Death came through Adam. - **Jesus Christ – Through His resurrection, all who are in Jesus Christ are made alive.**

We are so blessed to be loved by God, rescued and have an advocate through Jesus Christ and be enveloped by the Holy Spirit to convict, navigate, direct protect, provide and be healed beyond our asking and praying. No matter what our past , present and future is. 🌸🌸

Love & Blessings

Ps Hilda
