

Grace (part 3)

My dear people of God,

I am delighted that Grace part 1 and 2 touched many of you and thank you for the feedback. There are about 45 verses on Grace in the NT. My favorite is the above and I keep running to the Throne Room each time I find something impossible to overcome, someone who won't come for prayer but needs it desperately or simply to pray for my own iniquities.

Knowing that the fulness of Grace we need is through our precious Lord Jesus Christ-Our advocate and defender in the throne room of Grace.

In the letter of Romans, it is encouraging to know that God has placed gifts of Grace and ability of Grace to lead our everyday lives. It also indicates leaders and Pastors are given Grace to direct their flock with boldness. In various Epistles, Grace and peace are companions/it flows throughout the body of Christ. In the letter to the Corinthians, Grace flows and spreads from one another. Grace controls anxiety or stress. Grace also lends you Faith in our lives towards finances, cost of living, illnesses and broken relationships that face us every day. Most importantly Grace is sufficient to withstand the buffeting of satanic forces which we ourselves allow by opening gates and doors ,especially with our everyday UNREPENTED sin.

There are different levels of Grace. Read the Epistles.

LEVEL 1 – FREE GIFT OF GRACE (Romans) .Paul speaks of this level of free gift of Salvation. Forgiveness of sins and the direct access to God through His son.

LEVEL 2- ABUNDANT GRACE (Romans) When you are facing something pulling you down in life-you can call upon this Grace and it will give you abundance . Quality and something to even spare.

LEVEL 3 -MANIFOLD GRACE (1& 2 Peter) This applies to your role in Church. To overcome hurt and rejection and politics that you see going around you in your Church.

LEVEL 4- EXCEEDING RICHES OF HIS GRACE (Ephesians) The fullness, the valuableness to fill supply at all times. In a crisis situation, when you call upon this Grace, we will know HE is our peace, HE is our rock and He is our refuge .Its also a Grace that produces love from Him that makes you love all around you.

LEVEL 5 -THE GLORY OF HIS GRACE (Ephesians) The magnificent, the majesty , the splendor and the Grace that flows through us to our families for example when your spouse loses their jobs or falls ill. When they see you calmly filled with Grace handling matters they will get a glimpse of this Grace in you.

LEVEL 6 -THRONE ROOM OF GRACE (Hebrews) -As I wrote above this Grace is where we are invited to come into His Throne room. Usually, this Grace is for a season or a particular need. This Grac brings a release in spirit, bringing many answers to prayer. As you face Him in utter brokenness, confess, repent, and ask forgiveness and pray for this Grace -it brings supernatural answers that only God can bring about.

Here is a little mini poem I composed on Grace for you:

This gift of Grace - that brings well favored graciousness.

Is the ultimate gift that God gives us in His very kindness.

Without which we would all be broken in real bitterness.

We would have nothing but sorrow, respite, and Sadness.

Ask and it shall be given is His promise and Gloriousness.

He absolutely delights in responding with such graciousness.

So, pray if not anything else to have this deserved loveliness.

Grace without doubt is the divine element of helpfulness.

For Grace-would make miracles happen in bounties and happiness

Love & Blessings

Ps Hilda
