

GRACE

Part 1

According to Google: Grace is smoothness and elegance of movement:

Other words for Grace through Google are elegance, stylishness, poise, finesse, charm, gracefulness. Courteous good will, politeness, good manners ,to honour ,to give credit etc

But in the Christian belief or the transcription in the Bible -the word Grace offers another spectrum altogether. It is the free and unmerited favour of God, as manifested in the salvation of sinners and the bestowal of blessings. It is a Spiritual gift from God, and it transforms us to become GRACE givers and GRACE owners. It could be a one off or a journey of Grace.

The reason I chose GRACE as the weekly topic of encouragement is because I saw a miracle this week - that came to a family who operate in the Grace of God. They are a family of prayer , love , attend Church ,bring up the children in the fear of the Lord and shower Grace on others constantly. This week they were trying to raise money for one of their children to be an international representative for Cricket for Australia. They started a GO Fund appeal and within a week they had more than their required budget and some spending money for the child. A gift from God.

If you need Grace , you need to know more about it , acquire it as a lifestyle and God will move His favour on you all the time. This does not mean you will not have challenges and trials, but He will be there with you with His benevolent smile and strength-all the time.

God is inclined to shower His grace to His people 1) when they are Inclined to please Him. 2) People who strive to obey His commandments 3) Love their neighbours as themselves 4) Who want an impossible trait to be changed or a situation to change and pray to Him. **But in His sovereign will-he can bestow Grace to any one at any time. Who knows the heart of God ?**

GRACE has companions . Here are few:

- 1) In the life of Noah -Grace & Righteousness.
- 2) In the life if Moses and Israelites -Grace & Mercy -Miracles
- 3) In the Life of Gideon- Grace & Pardon.
- 4) In the life of Ezra -Grace & Commitment to God's purposes.
- 5) In the book of Psalms-Grace & Glory
- 6) In the book of Proverbs -Grace & Wisdom.
- 7) In the book of Zechariah -Grace & Supplications.
- 8) In the book of Romans -Grace & Faith.

These companions to Grace and Grace can be a great blessing, endow you with the mantle or anointing of Grace to change, to cope, to have Hope, to bring many answers to Prayer.

More next week-I really want my Inner Healing clients to know, understand and operate in His GRACE.

Love ,Blessings & In Prayer for you always.

Ps Hilda
