

COMPASSION/MERCY/ KINDNESS/FORGIVENESS

These attributes of Compassion, Mercy, Kindness & Forgiveness are facets of Love. While we can never love like God who is the epitome of LOVE, we can demonstrate facets, attributes, and display a pale shadow of the love we receive from God.

•When you get up in the morning, you must not only clothe yourself physically but also spiritually.

• Pray earnestly that we develop these traits that make us different to the people of the world.

•Why do we have these requirements from God ? His expectation is there because it is His Kindness and Grace that wrapped His heart to give us a love gift who gave us His life and earned us our salvation, forgiveness, and eternity.

• So, God expects us to be kind, Compassionate, forgiving, and merciful in return.

• Then we have hearts that resemble the heart of God.

• Jesus taught us to do unto others what you would want someone to do to you. Luke 6:31

• Be kind , honest, compassionate and you will live a long life. Proverbs 21:21

• Your own soul is nourished when you are kind and compassionate. Proverbs 11.17

• When you are kind, compassionate, generous, and forgiving , you obey God and please Him immensely.

•As God's people Holy & dearly loved to clothe yourselves with Compassion, Mercy, Kindness, and LOVE that is the diamond which has these as facets.

•You are always dearly loved by God, so be yourself with virtues of God.

• The Holy Spirit will help you to transfer to acquire these attributes to the maximum of your inability.

TRY LIVING THIS WAY EVERYDAY.

Love & Blessings
