

ANGELS

My dear people of God,

This week I want to share about the angels around you-invisible spirit beings/ messengers of God with multipurpose tasks just to minister to you. They are under God's authority and direction all the time.

There are 5 basic physical signs apart from petals of flowers and other objects left on your path.

- 1) They come as a layer of Warmth when you are praying to confirm something you are seeking.
- 2) They come as a light when you're praying or seeking something. There is a bright light that comes through your window ,rays of sunshine or your light bulb brightness supernaturally.
- 3) They come like a breeze from nowhere when you are alone, afraid and seeking comfort.
- 4) They tingle on top of your crown to open your soul or heart to God.
- 5) Your Emotions are heightened, showing you are comforted, loved , protected and having to not be afraid.

Let's explore the Bible for evidence of angels.

- 1) God sent an angel to deliver Peter from prison on the eve of his execution. **Acts 12: 3-19**

- 2) On his way to Rome Paul on a board of a ship destined to be destroyed. But God sent an angel to speak to Paul that only the ship will be destroyed but there will be no loss of human life. Paul was able to encourage the captain /take authority He was able through God's grace save the crew /Passengers and Prisoners .**Acts 27: 22-25**

- 3) Angles :

4) Show hospitality to strangers as they may be angels sent for a specific purpose/give you direction/ give provision etc . **Hebrews 13:2**

5) The angel of the Lord encompasses those who fear the LORD . **Psalm 34: 7**

A) To get you out of trouble. **Gen 19 -life of Lot**

B) To change life's direction . **Life of Moses – Exodus 3: 1-2**

D) When you have given your best and want to give up- **Life of Elijah . 1 Kings 19: 4-5**

6) They come as human beings or form to strengthen you when perplexed.

I have experienced this quite a few times. They are there talking to you and then they seem to have vanished . Their mission accomplished.

7) When we are distressed , God is distressed with us and sends His angel to save us. **Isaiah 63:9**
