

Dear people of God,

I am sending you a copy of a letter I am sending friends of Jesuran to alert them of the new Afghanistan Refugee Project which seems to have commenced in God's good time last week. We have settled two families and are about to meet three more tomorrow.

Blessings

However, needs are ever increasing, especially during the COVID pandemic and currently an influx of Afghan refugees as result of the Taliban crisis in Afghanistan who have been taken in by Victoria. Some of them have decided to settle down in the Dandenong Area to be closer to the Afghan community.

As a result, Jesuran Welfare Services are re-settling numerous Afghanistan families who have recently arrived in Australia and who have just finished their quarantine. Jesuran has journeyed to re-settle thousands of Sri-Lankan refugees, and this involved supplying furniture, electrical items, linen, children's toys, clothing for the family and basics needs to start a home. We desire to offer the very same, laced with the love of God for these Afghanistan families.

Jesuran Welfare Services offers its welfare in faith, with donors who are ever decreasing due to these tough times. Therefore, we are seeking resources, funding and delivery fees for the goods to be delivered to be able to assist these vulnerable families. See further details below as to our requirements.

Love and Blessings.
