

WISDOM – PART 1

Dear People of God,

It's already the first week of February and time to commence the ministry's weekly encouragement to each of you.

Although it's been almost 6 weeks since you heard from JHM, many challenges are experienced by all of you and wondering where is our support while the Ministry is closed-I have been in almost daily prayer for you.

God who never sleeps or slumbers has been ever present with you.

In the last few weeks, I have been led to meditate on Wisdom. God is Wisdom, His directives are Wisdom. His ways are Wisdom. His commands are Wisdom. His promises are Wisdom & strength.

Let's ponder on Proverbs 3.

REWARDS OF WISDOM -Proverbs 3:1-4 • Full rewarding life • when truth & integrity be written in your heart-you will find favor and understanding from God and men • gain a good reputation.

WISDOMS GUIDANCE-Proverbs 3: 5-10 •When you trust in the Lord Completely-He will lead you in every decision you make. • He will lead you wherever you go. • You will find healing refreshment. • Every dimension of your life will overflow with blessings and an uncontainable fountain of joy.

WHEN WISDOM CORRECTS YOU-Proverbs 3 :11-18 • When God corrects you-neve be angry or upset •His Fathers discipline comes from His passionate love and pleasure in you •Blessings pour over the ones who find wisdom • As Wisdom increases (as you grow deeper in the word that helps you to wrap His Wisdom and Presence more and more) a great treasure imparts. • It draws you to a place of wholeness •Wisdom is the healing tree of life whoever tastes its fruits.

I will encourage you in the path of Wisdom in 3 parts. The next two segments will I pray greatly inspire you.

Blessings

Ps Hilda
