

Dear People of God,

This is your 3rd and final segment on Wisdom. Just to encourage you, no matter what your age is, it's better to learn, absorb and apply Wisdom to our life. (I am doing this in my 75th year !!!!!) The two segments have deeply taught you that God is Wisdom and that pursuing God and His ways gives us Wisdom, knowledge, Instructions, Inspirations, Understanding, Counsel and most profoundly the Fear of the Lord that we need in our life. Proverbs 10:9 – The Fear of the Lord is the beginning of Wisdom.

Learn, pursue, journey and delight in discovering Wisdom.
