From Ps Hilda Samuels Heart from Melbourne

Weekly training and sharing sessions with the JAK staff are conducted from Melbourne. The Holy Spirit continues to grant us fresh spiritual wisdom and deeper insight into areas such as

Inner Healing, Trauma Healing, Spiritual Mapping, and much more.

A small but powerful prayer group gathers every Monday at Grace Avenue. During one of these gatherings, the group had a special opportunity to join via Zoom and celebrate Thirukumaran's birthday, praying together with the JAK staff in unity and joy.

A successful fundraiser was held on 13th July 2025 to support the monthly budget for JAK. Over 120 people attended a beautifully organized afternoon filled with music, dancing, and a short play. This event was sponsored by Subcontinent Symphony - Melbourne.

We extend our heartfelt thanks to **Elmo Tharmaseelan** and **Vasanthy Ariyaratnam**, the Directors, for their generous support and commitment to this cause. A passionate team of individuals with a heart to bless the Tamil people of Jaffna and the Northern Province came together in various roles to ensure the fundraiser's success.

A special mention to the **JAK staff**, whose **moving PowerPoint presentation** touched many hearts and stirred compassion. Many Hindu friends are beginning to see the humanitarian work that JAK provides for ALL Tamil people with Gods love to His broken world in Jaffna and some parts of NP .They are beginning to financially support the ministry. Truly amazing and portrays God's hand in the healing that is beginning flow and spread -The Vision of JAK.

Many visitors from Melbourne continue to bless JAK with their presence. This month, we were especially delighted to welcome Yoga and Lali Sagunam. Lali has been a faithful intercessor since the inception of the Healing Centre and has supported JAK over the years with her beautifully handcrafted chain designs. Her love, prayers, and creative contributions have been a great encouragement to the team

In July 2025, Rev. Sugun Nevins participated in a Baptist Global Conference held in Brisbane, Queensland. On his way back to Kilinochchi, where he serves as the Baptist Minister for Kilinochchi/Northern Province, he spent a few days in Melbourne.

In the photo, he is seen alongside Rev. T.S. Premarajah, Senior Tamil Minister in Melbourne, who graciously organized a special seminar at St. Peter's Church, Murrumbeena. This meeting brought together a small group of individuals with a deep, vested interest in the spiritual growth and transformation of Jaffna and the Northern Province, providing a valuable opportunity to connect with Rev. Sugun Nevins.

May the Lord continue to strengthen our hands for the work ahead, unite our hearts in His love, and lead us by His Spirit. May every seed sown in prayer, service, and sacrifice bear lasting fruit for His Kingdom –in Jaffna, the Northern Province, and beyond. In Jesus' name, Amen.

Every Blessing

FREE MEDICAL CAMP

Hope Reaches Kallanthazhvu Verappitty, Healing Hands and a Message of Restoration

The fishing village of Kallanthazhvu Verappitty, located 24 kilometers from Jaffna, belongs to Division J/45. Around 255 to 300 families reside here, with a total population of approximately 650. Among them, there are about 80 to 100 individuals under the age of 18 and nearly 200 children. The village is home to 20 persons with disabilities and around 25 to 30 widows. While there are 35 Christian families, the majority belong to the Hindu faith.

The village faces severe water scarcity, and most houses are poorly constructed with minimal facilities. Poverty is widespread. Both men and women depend solely on fishing for their livelihood, struggling to make ends meet. Educational attainment is extremely low, and the lack of proper healthcare services adds to the hardship. Many children drop out of school at a young age to join their parents in labor. There are no basic medical facilities, and for generations, the community has been trapped in a cycle of poverty and bondage. A lack of discipline and an inability to utilize the limited resources effectively is also evident.

In the midst of these overwhelming challenges, on July 10, 2025, through the compassionate outreach of Jesuran, we traveled to this village and conducted a medical camp. Our doctor, Dr. Alfred Cruz, along with nurse Mohan, served with great dedication. A total of 65 people, from children to the elderly, attended and benefited from this camp.

However, the camp was not limited to providing physical healing alone; it also brought spiritual restoration. Our team encouraged the people through prayer and inner healing. We laid hands on the sick, spoke words of life, and declared hope over the land. Tears flowed—not just because of physical illness, but as hearts were released from pain and filled with peace.

This camp was not merely a humanitarian effort but a prophetic act. It affirmed that the village of Kallanthazhvu Verappitty is not forgotten by God and that both the land and its people remain in His care. Seeds of healing—both physical and spiritual—have been sown here.

July Special Prayer Gathering

Empowering Faith Through Prayer

Jesuran Aravanaikum Karam" Weekly Prayer Gathering

A Sacred Encounter, Heaven Touched

This month too, the weekly prayer gatherings held under the banner of "Jesuran Aravanaikum Karam" were conducted with heartfelt devotion and deep spiritual significance. The pinnacle of these gatherings was the special fasting prayer held on the last Thursday of the month. It became a profound moment of spiritual revival, as though the very gates of heaven were opened. Around 26 people participated in this Spirit-filled encounter, including 12 individuals who came through Jesuran's outreach branches.

Each person's hidden burdens and unspeakable emotional pain were received with compassion by our ministry team. They offered personal and Spirit-led intercession for everyone present—prayers that reached into the deepest cries of the soul and ministered life and comfort.

For many, that day marked a turning point. Some experienced deliverance, others received a fresh spiritual awakening, and many were comforted and emotionally strengthened. Broken hearts found healing, and the room was filled with voices testifying of God's touch.

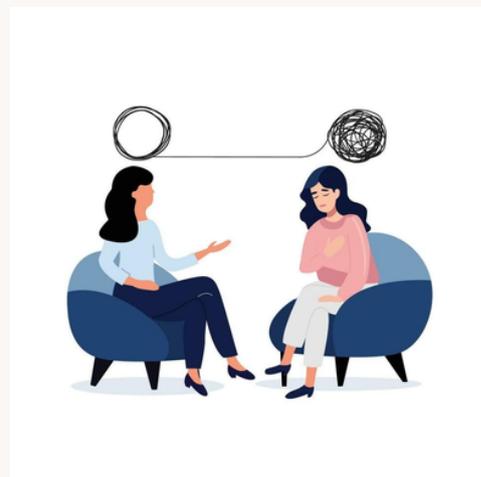

Stepping into that prayer gathering felt like entering a sacred and peaceful presence. Heart-stirring worship, deep intercession, and Spirit-led messages all came together to make it an unforgettable spiritual experience for everyone who attended.

Healed, Strengthened, and Renewed by His Grace

In one of the most underdeveloped areas of Karainagar, Pastor Z, faithfully serving under the call of God, is a man deeply wounded by the many trials of life. In the past, he was gripped by the severe illness of kidney failure, a painful ordeal that even brought him close to death. Although his physical health has now improved, the dark shadows of that illness still cling to his mind, refusing to let him go.

Adding to this burden is the lack of sufficient income to meet even the basic needs of his family, which continues to weigh heavily on his heart. Over the years, experiences of being rejected by people and sidelined from many forms of work have left deep scars upon his soul.

In the midst of this pain and burden, when our ministry team ministered inner healing to him, the comforting touch of the Holy Spirit melted his heart, as God's love touched and healed his wounds.
