FROM THE HEART OF HILDA AMMA-MELBOURNE/AUSTRALIA

Dear Beloved,

Greetings in the precious name of our Lord.

My heart is filled with gratitude as I reflect on the mighty M.D.JEGAN REPENTENCE / REVIVAL meetings we recently witnessed. It was truly a time of revival, where God moved powerfully among us. I want to sincerely acknowledge the unity and commitment of our staff and the 15 pastors from three districts who came together with one heart and purpose. What a beautiful work of God!

We are also thankful that we have now settled into our new venue at 57 Station Street, Jaffna. This is a significant step forward, and we trust that this place will become a centre for healing, restoration, and transformation. A Healing Sanctuary for all Tamil people.

Just two days ago, we were blessed to host a Pastors' Dinner and a Thank You Dinner. It was a special time of fellowship, encouragement, and appreciation. My heartfelt thanks go especially to our dedicated staff, whose tireless efforts made all of this possible. My faithful Jaffna staff members -your faithfulness does not go unnoticed.

Looking ahead, we are hopeful and prayerful that we will begin monthly gatherings, including PowerPoint teachings on Inner Healing. It is our desire that this vision will not only grow among these 15 pastors but will also spread further, touching many more lives across the districts. Hoping to commence a Pastors wives inner healing group.

Let us continue to seek the Lord together, walking in repentance, unity, and His healing grace.

With love and blessings,

Ps Hilda Samuel

Awakened, transformed, and prepared — for His coming is closer than ever.

By the abundant grace of God and under the leading of the Holy Spirit, Jesuran Healing Center conducted a powerful, spirit-filled revival meeting on the 20th of March 2026 at Calvary Full Gospel Church, Kokuvil. Around 350 believers gathered with great expectation and spiritual hunger to experience the presence of God.

This meeting was held under the theme "Be Ready, Prepare Others", calling believers to prepare themselves for the coming of the Lord.

The Word of God was ministered by the servant of God, MD Jegan, who delivered a deeply anointed message for approximately one hour and thirty minutes. Throughout the meeting, the tangible presence of God was strongly felt among the congregation.

In his message, he spoke about the current situations taking place around the world, emphasizing that these are signs of the last days. With great burden and urgency, he called the believers to be spiritually alert, to examine their lives, and to prepare themselves for the second coming of the Lord.

The message brought deep conviction and spiritual awakening among the people. Many were touched by the Word and were stirred to draw closer to God and live a holy and committed life. There was a powerful move of the Holy Spirit, and the atmosphere was filled with worship, surrender, and reverence.

As a result of this meeting, around 10 individuals made a commitment to take water baptism. This stands as a clear testimony of transformed lives and the working of the Holy Spirit through the Word of God.

Overall, the meeting was richly blessed and impactful, bringing renewal, revival, and spiritual awakening among the believers. It strengthened the faith of many and led to life-changing decisions.

Jesuran Healing Center continues to remain committed to organizing such revival meetings for the spiritual growth and preparation of God's people in these last days.

All glory be to God alone.

Arise... His coming is nearer than ever.

On the 20th of March 2026, at 3:30 PM, a blessed gathering was held at St. Peter's Methodist Church. What began as a simple meeting soon unfolded as a divinely appointed moment, prepared by God Himself.

Beyond expectations, around 200 people gathered at the venue. Believers from different denominations such as CSI and Anglican came together in unity, creating a beautiful atmosphere of oneness. It was evident that this was not a human arrangement, but the perfect will of God bringing His people together.

As the meeting progressed, the presence of God did not just touch lightly, but began to move powerfully among the people. Hearts were filled with a deep longing and hunger for God.

At that moment, the servant of God, MD Jegan, shared the Word with great clarity and burden. His message spoke directly into the hearts of the people. Referring to the situations happening around the world, he made it clear that these are not ordinary times.

Through the Word, a call was released — to awaken, to examine one's life, and to be prepared. This call deeply settled in the hearts of many.

As the Holy Spirit began to move, lives were touched in a personal and powerful way. Some were moved to tears, some surrendered their hearts to God, and others made new commitments. The entire atmosphere was filled with true worship, repentance, and a deep desire to seek God.

As the meeting came to a close, it did not end as just another gathering — it became a new beginning in the lives of many. What God did in that place will continue to remain in the hearts of those who attended.

This gathering stood as a clear testimony that God is still calling His people, preparing them, and drawing them closer to Him in these last days.

All glory be to God alone.

In His presence, even the smallest place becomes a place of great outpouring.

On the second day of the revival meetings, a powerful gathering was held at The Way of Missionary Church at 9:00 AM. What took place was not just a meeting, but a mighty manifestation of the Holy Spirit.

Though the church was small in size, it was filled with around 370 people. What seemed impossible in the natural became possible through God. This stood as a powerful testimony that it is not the size of the place that matters, but the hunger of the hearts that seek Him.

Despite the large crowd, an unusual peace and the strong presence of God filled the entire place. Every heart was prepared and ready to receive the Word.

At that moment, the servant of God, MD Jegan, delivered the Word with great authority and anointing. His message shed light on the realities of the present world, imprinting a deep awareness in the hearts of the people that "these are not ordinary times.

The call was clear and urgent — Awaken! Examine your life! Be prepared! This message burned like fire within many hearts, bringing transformation and stirring them to respond.

As the Holy Spirit moved powerfully, hearts were broken, eyes were filled with tears, and many surrendered themselves completely before God. The entire atmosphere was filled with true worship, repentance, and a deep hunger for God.

This meeting did not end as just an event — it became a turning point in the lives of many. What God did in that place will continue to bring lasting impact in the days to come.

It stands as a strong testimony that God is still calling His people, awakening them, and preparing them for what is ahead.

"Arise... the time is near!"

"All glory be to God alone."

Arise... Be prepared... His coming is nearer than ever!

Blessed Moments with the Servant of God

During the days of the revival meetings, the servant of God, MD Jegan, visited our office on the evening of the 19th and stayed with us until the morning of the 23rd. His presence among us, along with his team, was a great joy and a true blessing to us.

The time we spent together was very special and spiritually enriching. Sharing meals together and the moments where he prayed for us are memories we will always cherish in our hearts.

His humility, love, and care deeply touched us. The way he spent time with us and encouraged us has been a great strength and inspiration to our ministry.

Before leaving, he lovingly assured us that when he comes again to Jaffna, he would conduct meetings together with us. This brought great joy and encouragement to all of us.

We thank God for these precious moments. It has truly strengthened us and brought a renewed passion for the work of God.

All glory be to God alone.
