# FREE MOBILE MEDICAL CAMP

## Bringing Healing and Hope: Medical Camp at Kakkaitheevu

On February 12, 2025, our medical camp was held in Kakkaitheevu, where Pastor Aniston was ministering. A total of 60 people, from children to adults, participated in the camp. Dr. Alfred Cruz and nurse Mohana actively contributed to the event by carrying out their duties efficiently. Additionally, under the leadership of Mr. Thirukumaran, Jesuran's Aravanaikum Karam ministry team provided inner healing services to some of the attendees. Everyone who attended was happy and actively participated in our medical camp.

# February Special Prayer Gathering

A Time of Renewal & Divine  
Encounter

## Weekly Prayer Gathering for Deliverance & Renewal

Our Jeshurun's Aravanaikum Karam holds a prayer meeting every Thursday. On the first Thursdays, the Prayer House of Deliverance hosts the meeting at the church, and on the following Thursdays, it takes place at our ministry office. Our Pastor Hilda Samuel join us in these prayer gatherings.

# INNER HEALING MINISTRIES

## Finding Hope

05.02.2025

### Kashmeera

She lives with her mother and is 22 years old. She has no father. Suddenly, over the past six months, sores have developed on her face, covering it entirely with scars. To this day, doctors have been unable to determine the cause of the disease, so she continues to visit the hospital for treatment.

Additionally, she was found to be severely affected by an unclean spirit. Therefore, our ministers conducted Inner healing ministry was provided.

## A Woman's Journey to Overcoming Heartbreak

07.02.2025

### THEEPANA

She is 33 years old and has three children. In this situation, she has come to know that her husband, Vinod, has been involved with another woman for the past four years.

She also recently discovered that the woman has a child (aged 3) fathered by her husband. This has caused her immense emotional distress, and she has decided to divorce her husband. An inner healing service was conducted for her by our staff.

## Struggles and Healing

08.02.2025

### SULAXSHANA

She grew up in her mother's house in extreme poverty. She is now married and has a child. Her husband, Dhanush, is unwilling to work and take responsibility for his family, as he lacks the mindset to do so.

Moreover, he constantly doubts his wife, criticizes her, and troubles her in various ways. Due to this, Sulakshana is emotionally wounded. An inner healing service was conducted for her.

### A Mother's Journey Towards Healing and Strength

### DHARSHINI

Darshini is 38 years old and has a two-year-old son. Her husband, who is 45 years old, is currently separated from her. The reason for their separation is that her husband has no job and has been relying on Darshini's money and property. Additionally, Darshini only discovered after their marriage that her husband was already burdened with heavy debts. Darshini's mother passed away, and she had been living under her father's care.

Even before marriage, she faced extreme poverty, and her wedding was made possible only with the help of relatives.

Now, her husband's financial irresponsibility, along with the hardships she endured in the past, has deeply affected her mentally, leaving her in a state of shock and distress. Due to her emotional turmoil, she is struggling to take care of her two-year-old son. As a result, she has undergone inner healing ministry to help her recover.

## Finding Hope Amid Struggles

11.02.2025

### Mikunthan

Mikunthan is 36 years old and remains unmarried due to his family's financial struggles. Additionally, he does not have a permanent job, which has left him living in emotional distress. He has undergone inner healing ministry to help him recover.

## Finding Hope After Hardship

13.02.2025

### Keerthana

She is 28 years old. She got married ten years ago. Since her marriage, for the past ten years, she has been severely tormented and abused by her husband, suffering in both physical and mental ways. Her husband is an alcoholic who constantly suspects her, physically abuses her, and refuses to work.

He does not take any responsibility for supporting his wife and believes that she should be the one to earn and take care of him. If she fails to give him money, he throws her out of the house. After enduring immense suffering and hardships due to her husband's abuse, Keerthana has now obtained a divorce. She does not have any children. However, she is now overwhelmed with fear about her future.

Her own family has also put her through several struggles, adding to her distress. Filled with hopelessness and despair, she came to us seeking help. She has now received inner healing ministry

# INNER HEALING SERVICES CONDUCTOR IN THE MEDICAL CAMP

## Healing and Hope

### Senthoori

She has been suffering from a chronic chest illness for a long time. Despite being admitted to the hospital, she has not yet recovered. Additionally, she is also experiencing a severe cold-related illness. Due to this sickness, she is unable to do any work and remains weak like a fragile child.

She is 20 years old. Because of her condition, she came to us with fears about her future. She has now received inner healing ministry. Along with her, her mother, Devi, also came to us. Devi is 66 years old and suffers from several illnesses and weaknesses. She was deeply concerned about her daughter's future and spoke to us with great anxiety. She, too, received inner healing ministry.

## A Grandmother's Strength

### Jaya Prakash

He is 9 years old. His mother passed away four years ago, and his father passed away two years ago. He now lives with his grandmother. He is very interested in studying and is known as a playful and energetic student at school. However, he faces many challenges due to a lack of necessary resources for his education. He received inner healing ministry.

His grandmother, Parimala, came to us seeking help. She is 64 years old and suffers from diabetes, high cholesterol, and blood pressure issues, along with a persistent cold. In addition to dealing with the grief of losing her son and daughter-in-law, she is now raising her grandson. Six months ago, her daughter's husband also passed away, leaving her daughter struggling to care for her four children. Parimala

## A Journey from Grief to Healing

### Thangappon

Her husband passed away, and her only son, who was 28 years old, also died due to the coronavirus disease. Now, Thangappon has no relatives nearby to support her. She suffers from several health issues, including diabetes, high blood pressure, and high cholesterol.

At 66 years old, she experiences not only physical pain from her ailments but also the emotional pain of loneliness and the lack of support. She was seen in a helpless situation, struggling with her conditions. She has now received inner healing ministry.

## Bringing Hope to a Broken Heart

### Aananthi

She is 35 years old and has two children. She is living separately from her husband due to his excessive suspicion, which led to emotional breakdowns within the family. This ultimately forced her to separate from him. Inner healing ministry was conducted for her

## Finding Strength in the Storm

### Luxshan

He is 29 years old and suffers from a disease in his lower back, which causes him immense pain and makes it difficult for him to perform his work. As he is engaged in fishing, the poverty in his family has forced him to continue working despite his illness. Inner healing ministry was conducted for him.

## **Finding Hope Amidst Pain and Poverty**

### **Vijayabalan**

He is 39 years old and suffers greatly from pain in his lower back. His family is struggling with poverty, and he faces challenges in meeting his children's educational and financial needs, as well as securing their future. Due to these difficulties, he is compelled to work despite his illness. Being a fisherman, his condition makes his work even more challenging. Inner healing ministry was conducted for him.

## **Restoring Hope**

### **Neerusha**

She is 23 years old. Her husband is unemployed, and she is living in extreme poverty. She faces many financial pressures and challenges, which have caused her to live in deep emotional distress. Inner healing ministry was conducted for her.

## **Restoring Peace**

### **Sivamalar**

She has four children, and her husband has separated and left them. She works as a daily wage laborer to support her family. In this situation, due to her daughter's illness, she came to us in a distressed mental state. Inner healing ministry was conducted for her

## A Family's Journey from Pain to Hope

### Mary Tensia

She is 18 years old. Two years ago, her mother died by suicide. Her father does not live with them as he separated from the family due to his extremely aggressive nature, making it impossible for them to live with him. It was due to his anger that her mother was unable to continue living and took her own life. In this situation, Mary Tensia's elder sister, who had previously suffered from a stroke, has now recovered and is taking care of them. Though they are currently under their grandmother's care, she is unable to provide for them properly.

They are struggling severely with financial difficulties. Due to all the painful events of her past, Mary Tensia spoke to us filled with hopelessness, deep wounds, sorrow, and exhaustion regarding her future. She has a younger brother, who, like her, also lives in distress. Inner healing ministry was conducted for both of them. Their elder sister, Mary Deta, had received inner healing ministry from us last month. After experiencing renewed hope, joy, and clarity in her life, she desired to bring her younger sister and brother to receive the same healing. Inner healing ministry was conducted for her.
